We are continuing to plan for the 2011 SAEA annual meeting in Corpus Christi, Texas, February 5 - 8. Our sessions will be held at the Omni Hotel. Jeff Jordan has scheduled some memorable events for the meeting – including a Tuesday evening reception on the USS Savannah (complete with a flight simulator). You don't want to miss this, so note the various deadlines for the meetings and be prepared.

The Executive Committee of the SAEA held its summer meeting in Savannah on June 10 and 11. Our membership stands at 702, up slightly from 2009, with many more junior (student) memberships and slightly fewer regular memberships. Please encourage your colleagues to join SAEA. The financial situation of the Association is strong with the investment fund at over \$114,000. This reflects the stock market gains, since we have broken even on the recent annual meetings and the *Journal*.

Call for Selected Papers, Organized Symposia and Posters. You are invited and encouraged to submit your work for presentation at the meetings in Corpus Christi. Albert Allen and Ken Hood, Mississippi State University, are coordinating the reviews for the Selected Papers; Darren Hudson, President-Elect, receives proposals for Organized Symposia; and Dr. David Anderson, Texas A&M University, is chair of the Selected Poster Committee. Please submit through the electronic portal <http://editorialexpress.com/conference/SAEA2011>. The website will open on July 27 and remain open until September 17, the submission deadline. At least one of the authors must be a member of the SAEA by the submission deadline. Authors who do not meet this requirement will not have their work considered.

Call for Award Nominations. Please nominate your outstanding colleagues for one of the SAEA awards. Hector Zapata, Past-President, will be handling the awards program at the meetings. Nomination materials for Lifetime Achievement, Distinguished Extension Program, Outstanding Teaching of a Course, Masters Thesis, and Ph.D. dissertation awards should be sent following the guidelines later in this Newsletter.

Candidates for President-elect and Director. I encourage you to nominate worthy candidates to be President-Elect or Director of our Association. The President serves a three-year term as President-Elect, President, and Past-President. Directors also serve a three-year term. Please submit your nominations to Bill Herndon, Hector Zapata, or me. The SAEA has a great group of officers that make service easy; I encourage you to consider running for an office.

Journal of Agricultural and Applied Economics. After three years of exceptional service, Jeff Gillespie and Ashok Mishra, Louisiana State University, are stepping down as editors of the *Journal of Agricultural and Applied Economics*. I want to thank Jeff and Ashok for all their hard work to make the *Journal* even better. The *Journal* is now published four times per year and the quality of its articles is quite high. They have reduced the average number of days for an article to be in review – it is now 77 days, which is quite low relative to other journals. I am pleased to announce that Mary Marchant and Darrell Bosch, Virginia Tech, will take over editorship of the *Journal* on July 1. They are working with Jeff and Ashok in the transition. The new editors will start processing new articles on July 1, while Jeff and Ashok will work with those still in process.

Finally, I want to thank everyone who makes the SAEA succeed in its support of the profession. Committee members, officers, reviewers, and others are what make this Association great; I appreciate your effort. I especially want to thank Jeff Jordan and Wojciech Florkowski for their excellent service as Treasurer and Secretary, respectively.

I look forward to seeing you in Corpus Christi.

Mike Reed, SAEA President
